

PATSY L. THOMASSON

PROFESSIONAL PRÉCIS

Patsy Thomasson is the Chief of Staff of the Washington, DC office of the Ben Barnes Group. Since 2002, Patsy has overseen daily operations of the Washington office while managing client relations and communications with Capitol Hill. Among the greatest achievements during her BBG tenure are successfully coordinating the creation of the Beaumont Foundation of America and assisting in the efforts to obtain funds for the Southeast Texas Recovery. Patsy has worked at the Department of State managing embassies across the world, and was a veteran of the Clinton White House.
